

Fenn's, Whixall & Bettisfield Mosses National Nature Reserve

Visiting with Dogs

Dogs can be walked **off-lead** under effective control on the 12km (7.4 miles) circuit shown in dark green. Other visitor access routes (shown hatched orange), where dogs are welcome **on leads at all times**, are the Fenn's & Whixall Mosses Trails, the History Trail and the Bettisfield Moss Trail. These cover over 17km (10.5 miles). Combining on and off-lead access will enable shorter circuits to be followed. Please respect the NNR's wildlife and please **pick up** after your dog.

Please note this applies all year round and is effective from April 2017.

We hope you enjoy your visit.

For further information please ring 01948 880362 or email: info.whixall@naturalengland.org.uk
